

Christian Business of the Year nominee: Wholesale Air.

Wholesale Air was formed in February of 1989 and is currently a Gold Member of the Houston Christian Chamber of Commerce. This year our company has donated services to Parkway Fellowship Church, Westland Baptist Church, Houston Christian Chamber of Commerce, Katy Christian Ministries and the elderly. Wholesale Air has also supported the Good News magazine and the Houston Christian Magazine through faithful advertising.

Since 1989, Wholesale Air has always strived to provide the best quality of work to our customers at a very competitive price. Providing “customer sensitive” service would best describe our mindset, which includes making honest repair estimates that we feel best represent our customer’s needs, not our financial bottom line. That is the key to our success.

Wholesale Air is a service driven company, not an income driven company. Our service recommendations, we feel, are always made with our customer’s best interests in mind. With over 28 years of field experience in the air conditioning industry, Wholesale Air consistently solves the seemingly unsolvable and often times overlooked conditions for our air conditioning and heating customers. With a 90% referral based business, we thank God for His faithful blessings and the level of success He has graciously provided our company.

Over the past 19 years, as we have strived to sow Biblical integrity into our customer relations, we have reaped an ongoing harvest of the best customers of any service company in the business.

Thank you for this honorable nomination. Thanks to all of our loyal customers, and thanks be to God for His faithfulness to His Word and to His children!
